Wholesale Price List

NO. 2

GENEVA NURSERIES

SPRING 1909

YOUNGERS & CO., PROPRIETORS

LONG DISTANCE PHONE 44

GENEVA, - NEBRASKA

SPRING 1909

To the Trade:

We invite the attention of Nurserymen and dealers to our Wholesale Price List for the Spring of 1909. These prices are for the trade only, and cancel all previous quotations.

Our stock is all young and thrifty and is free from insect pest or disease. A certificate of inspection will be furnished with each shipment.

Our shipping facilities are excellent. We have the B. & M. and C. & N. W. railroads and the Adams and American Express Companies.

In ordering please state plainly age, size, and price of stock wanted as noted in this list; also how you want the goods shipped, whether by freight or express and by what route. In the absence of such instructions we will forward to the best of our judgment.

After delivering to the forwarder, all shipments are entirely at purchaser's risk, and should any loss or delay occur, the transportation company alone can be held responsible.

Prices quoted are net, cost of packing to be added. Quotations are limited to the spring of 1909, and are subject to change without notice. Fifty trees, not less than ten of a variety, will be furnished at hundred rates, and three hundred at thousand rates.

In the selection of varieties we will follow the wishes of the purchaser as far as the assortment of stock will permit, but we reserve the right to substitute unless expressly ordered to the contrary. If the grade of stock ordered is exhausted, we reserve the right to fill the order with a higher grade of stock, at the price, however, of the grade ordered.

GUARANTEE OF GENUINENESS.—While we exercise the greatest care to have all stock true to label, it is mutually agreed between the purchaser and ourselves that our guarantee of genuineness shall in no case make us liable for any sum greater than that originally paid for the stock that may prove untrue.

TERMS.—Cash, unless specially agreed. Remit by bank draft, post-office or express money order. C. O. D. orders must be accompanied by one-fourth of the amount of the order. Telegraph orders from known responsible parties will receive prompt attention. In telegraphing use the Nurseryman's Code.

CLAIMS.—All claims for errors must be made at once upon receipt of goods.

CAUTION.—We accept all orders on the condition that they shall be void should any injury befall the stock from hail, fire, frost, or other causes over which we have no control.

Dealers will find our packing facilities unexcelled in the West.

Address all correspondence and make all remittances payable to

YOUNGERS & CO.,

Geneva, Nebraska.

We are prepared to name prices now on any style of graft wanted and will send samples upon request. Our grafts will all be made from Nebraska grown seedlings, by men of long experience, under the personal supervision of a member of our firm of thirty years' experience, and we guarantee quality to be the very best.

Entomologist's Certificate of Nursery Inspection

This is to certify that on August 25, 1908, I examined personally the nursery and premises of the Geneva Nurseries, Youngers & Co., Proprietors, Geneva, Nebraska, and find no San Jose Scale nor indication that it has ever been present in the nursery or its vicinity, and that the stock is apparently in a healthy condition and free from all other dangerous pests.

This certificate is good for one year from date.

Lawrence Bruner,

STATE ENTOMOLOGIST.
